

Fit & fun

Exercise is a powerful mind-and-body medicine, and this programme promotes well-being through a variety of physical activities and treatments designed to re-energize the body. Ideal for those who wish to maintain their regular workout or kick-start a new fitness regime, our resident personal trainer will customize a training program incorporating TRX, kettlebells, outdoor exercise, beach circuits, beach runs, hill running and lots more. You will gain a better understanding of your body and attain sustainable results
