

Loris Indri

RELAIS & CHÂTEAUX CHEF

A native of Friuli, with the strong gastronomic heritage of his region, Loris is fascinated by the flavors of the lagoon and its traditions.

Quality, authenticity, pragmatism and harmony: these are the essential ingredients of his cuisine.

Our Chef has been managing to amaze even the most demanding of the Do Leoni's guests for almost ten years, offering unforgettable dinners.

Cooking has been a passion since he was a child: homemade pasta, which he made with his mother, is still one of his greatest pleasures, as is making ice cream.
