At Six Senses, a massage is a truly individual journey where you will discover the power of touch in a personalised experience which will harmonise and balance your body.

Six Senses Signature Massages are designed with your specific needs in mind. During the spa consultation, we will help you select the most suitable massage techniques and your preferred aromatherapy blend.

Whether you favour light or firmer pressure or prefer a stimulating rather than soothing treatment, we will personalise your massage to suit your wishes.

Choose from any of the following Six Senses Signature Massages:

*Detox* - a stimulating massage using firming and toning oils to reduce the appearance of cellulite.

*Energiser* - a reviving upper body massage to relieve muscle tension.

*Holistic* - a soothing massage designed to evoke deep relaxation.

*Oriental* - a stress relieving treatment combining a full body massage with acupressure and stretching techniques.
